A. Substantial Deviation from the 5-year Plan : A substantial deviation from the 5-year plan would be if the Board of Commissioners would have substantial changes to the mission statement, goals or objectives, which would then be subject to full public hearing and HUD review.

B. Significant Amendment or Modification to the Annual Plan:

A significant amendment or modification to the Annual Plan would be if the HRA would amend or modify any policies or procedures that would need Board approval. A significant amendment or modification to the Annual Plan would also require the same coordination, certification and public comment requirements as the PHA Plan
